Trunk Party Program
Application

KT2G is a foundation who is devoted to enlightening our youth for better futures. We are excited to have our 9th annual Trunk party program where we give away trunks full of College essentials to first year 1st generation* college students. Keeping in touch with our participants throughout college is the best way we can help shape and prepare them. We believe that having someone who has been there before and can give some advice and words of wisdom can help make a great college experience. We also provide services to prepare them for life itself. We ask that you do your best and be as honest as possible when filling out your application.

Please note you must be present at the ceremony to receive your trunk. Your parent cannot receive it for you.

We look forward to hearing from you and getting to know you.

Sincerely,
Krista Jones
Founder & President
